From the Chapter Directors

Hello Everyone

Happy New Year to all of you and hope the New Year is wonderful for us all. It's 2019 already and we are into another year as a Chapter, and we are planning some great and fun things to do with you all. We are looking forward to the days getting longer, as winter has settled in and it's going to get cold, Burr Cold. We will just have to make the best of it and keep ourselves busy this winter other things to do, like meet for dinner outings, movie nights and getting together with each other. There are a few events going on thru out the District so we can still get out to see our friends. Get out and have fun with our friends.

This is also time for some of us to do some work on our rides and get some of that Maintenance done our bikes and trikes. Remember that they need care also, so they can take us those places we want to ride to. Take of our mighty steed and they will take us every where we want to go with no problems.

Keep warm this winter and get out with all our friends this 2019, and go out and make new friends to be with and get to ride with, this coming year. 2019 is here already and lets enjoy every minute.

Have fun and get out and be with others.

Roger & Vicki Harris SCD'

Remember that we are celebrating our 5th year as a Chapter in GWRRA and tell those thank you for all the great years we have had. We plan to have many more years of fun with all our friends in GWRRA, and thanks for all the great jobs you all are doing in participating in Chapter Life and with others.

Our next Chapter get-together will be Jan. 12th 2019 at 8:30am, at Community Pizza, in Fort Dodge, IA. for breakfast and an informational get together.

Remember that we always want you to bring a friend to our gatherings and invite those to join us on a ride, if they ride a bike/trike or drive an auto, all are welcomed to join in our fun events and activities. We want all those who want to participate in a safe and fun experience, and join us for a good time. People love to be with others and not be left out of all the fun.

There are some Events that are happening all over the District and other Districts, so check out the newsletters and websites for those events and calendars, so we can all have a good time and participate with our friends and others who like to have fun.

Willies Adventures:

Willie is off with Tim & Dianne Cook, and I bet I will get to go places, see a lot of things, and get to go in the truck with Tim. I will let you all know how it goes and what I do.

Yes I did get to go with Tim in the truck and we got to go to Colorado. We had a lot of fun in our travels in the truck, and I even got to so called drive the truck, look out a green frog behind the wheel of a big semi truck going down the big road. Wow was that fun and very interesting, and saw and did a lot of cool things, thanks Tim.
